

Breath LIFE

No one is immune to the stresses of daily life. The overwhelming demands of work, home, finances, and relationships can be overwhelming and can have a serious effect on one's health and well-being. If we let it. Yet, in the midst of all the chaos, clamor, and chaos, God's call, small voice calls out to us and shows a better way. A way of peace and greater well-being.

Breath of Life is an insightful twenty-one-day devotional designed to appeal to the busy person. Join the journey, and discover a balanced, whole-being approach to wellness that is centered on the Spirit-breathed Word of God.

Inspiring and practical, each daily devotional explores one of the seven dimensions of wellness that contribute to optimal well-being and presents a My Daily Breath exercise that includes one or more of the following:

- A song recommendation for inspiration
- A verse for meditation
