What if Life came
with a manual?

It *can*—wouldn't it be easier? But of course, life *does* not come with a manual, because there is no "right" way to live. But what if there was a guide that could help you explore and design your personal manual? Voyage through this step-by-step adventure to discover the treasures hidden within you—treasures that are the small places used to build your unique manual. Are you up to the challenge?

POONUM DESAI

Found her writing career in her early twenties after finishing her master's in public policy, she went on this book journey, first as a way to explore the depths of her personal photographs as if from the first to offer themselves, eventually to others. Dreams, dreams, and memories, which can be found in her stories. What she is now working on writing, she can always be found as a writer in the quiet, in music and books, and in all her passions. Poonum currently resides in Dallas, Texas.
