

Within Fire

Sonig Varadian

Within Fire

Within Fire, is about a boy who on the eve of his 16th birthday realizes that he may have mystical powers. Managing and learning how to control these new found powers, isolates him from his estranged father and a mom who just wants him to be normal. He then turns to his two best friends, who at best don't know how to react to his shocking news. When his new powers enable him to discover secrets about them, he begins to question what his next moves are. As his powers reveal themselves, others decide to harness them. His secret somehow gets out, and not only does he have someone after him, but also others are out to charm him. Who will he trust? Could he end up being the most powerful being?

About the Author

Sonig Varadian started writing *Within Fire* when she was a student in college. Her love for fantasy and science fiction and extended imagination, allowed her to create and craft the characters in this story.
