Princess Josephine lived in a land of colors. Her castle had pink towers, and the pointy tops of the towers were blue. Her gardens had green trees with red and orange fruit, and green vines with white flowers, and bushes of roses in every color from the palest pink to deepest red.

Her bedroom had purple walls and her bedspread was red and gold like the setting sun. She had dresses colored yellow like the best butter, and pink like strawberry ice cream, and light blue like the sea in spring, and dark blue with spangles like the sky at night.
