

I think he was half of a mind that he was offside anyway, it was a half a chance for Manchester United they were certainly very attack minded...

Hello Norman, the football commentary is quite loud!

Sorry Derek, I can't hear you because the football commentary is quite loud!

Ha ha

THE MIGHTY ZOM

IS WATCHING YOU

John Peel blaring out from the kitchen? That must mean Tim's home

Well pop-pickers, that was "Joeko Homo" by Devo...

...that was released over a year ago so I think its about time we heard from the boys again. I've been given a Devo bootleg in a very handsome sleeve but the powers-that-be at the BBC won't let me play it...

Hey, Peel's talking about the record cover you did, Tim!

Yeah fame at last. Cliff must have sent the record to Peel.

You putting the kettle on then?
