

ONE WORLD RELIGION

The waters upon which the whore, or woman sits are peoples, and multitudes, and nations and tongues. We see her in this advanced state of the final judgment still exerting her sway over the people of the world.

“And the ten horns which thou sawest upon the beast, these shall hate the whore, and shall make her desolate and naked, and shall eat her flesh and burn her with fire.” Up until now there has been a fake unity of all religions on earth. The beast or antichrist has put forth the message that he loves all people of all religions and faiths. He has taught that all men should love one another. He has not loved anyone himself, but he has put the message forth. It is one thing to teach or preach; it is yet another to put the teaching into practice. The message has been one of unity. The Catholic should love the Protestant regardless of the difference in beliefs. The Jew should love the Arab, laying all differences aside. The Shintu and Buddhist should be brethren living together in love. The Muslims should be at peace with one another regardless of religious tenets. Unity, unity, unity!!! This is the message.

All this breeds a false revival. They have taken the words right out of the Bible, “His Banner over us is love!” But really they teach false doctrine while their banner proclaims love.

The ten kings have one mind with the antichrist and the time comes when the antichrist will insist on his own brand of religion and that will be a one-world religion. All other religions must be destroyed. The ten kings will move as one to destroy all Muslims, all Buddhist, all Shintoists, all Christian believers and most of all, the Bible believers must be destroyed. Every belief and religion except that of the beast must be annihilated. The world will hate them and destroy them and burn them with fire in order to exalt the beast and his hellish deception. There must be a one world government and a one-world religion. God will allow this to come about to fulfill His words of prophecy.
