About Shiån Serei

Shian grew up in Yateley England and moved to the United States where he graduated from the University of New York before turning his interest to creative writing. He is an international author, entrepreneur and story teller, working with children's charities and missions around the world.

Shiån's complete work includes children's stories, romance novels, and screenplays for television and theater projects.

Bear & Bee Bedtime Rhymes

Bear & Bee Bedtime Stories are a lyrical story of two unexpected friends who build their lives together on the Island of Bearberia. The books were created by author Shiån Serei, a single father, who struggled to get his children to go to bed each night until one day he took out his guitar and discovered how quickly they went to sleep.

Available in Print or eBook, the reader can chose from a variety of acoustic music while narrating or select online games or puzzles to enjoy the special moments with your child at bedtime.
