Once upon a time, there lived a poor **girl** named Cinderella who was very **pretty**. The **nuhaizi**, who was very **piaoliang**, lived in a small **house** with her stepmother and two

stepsisters. At times it was difficult for the poor **nuhaizi** to live in such a small **fangzi** with her stepmother and two stepsisters. Why? Because they were

jealous that she was so **piaoliang** which is why her stepmother was extra **mean** to her. But the poor **nuhaizi** never complained about living in a small

fangzi with her stepmother, who was very **huai**, and two stepsisters, even though they forced her to do all the work in the entire **fangzi** day in and day out!

Royal Invitation
