Doc MacDoodle's Color Therapy for Grown-Ups: Animals

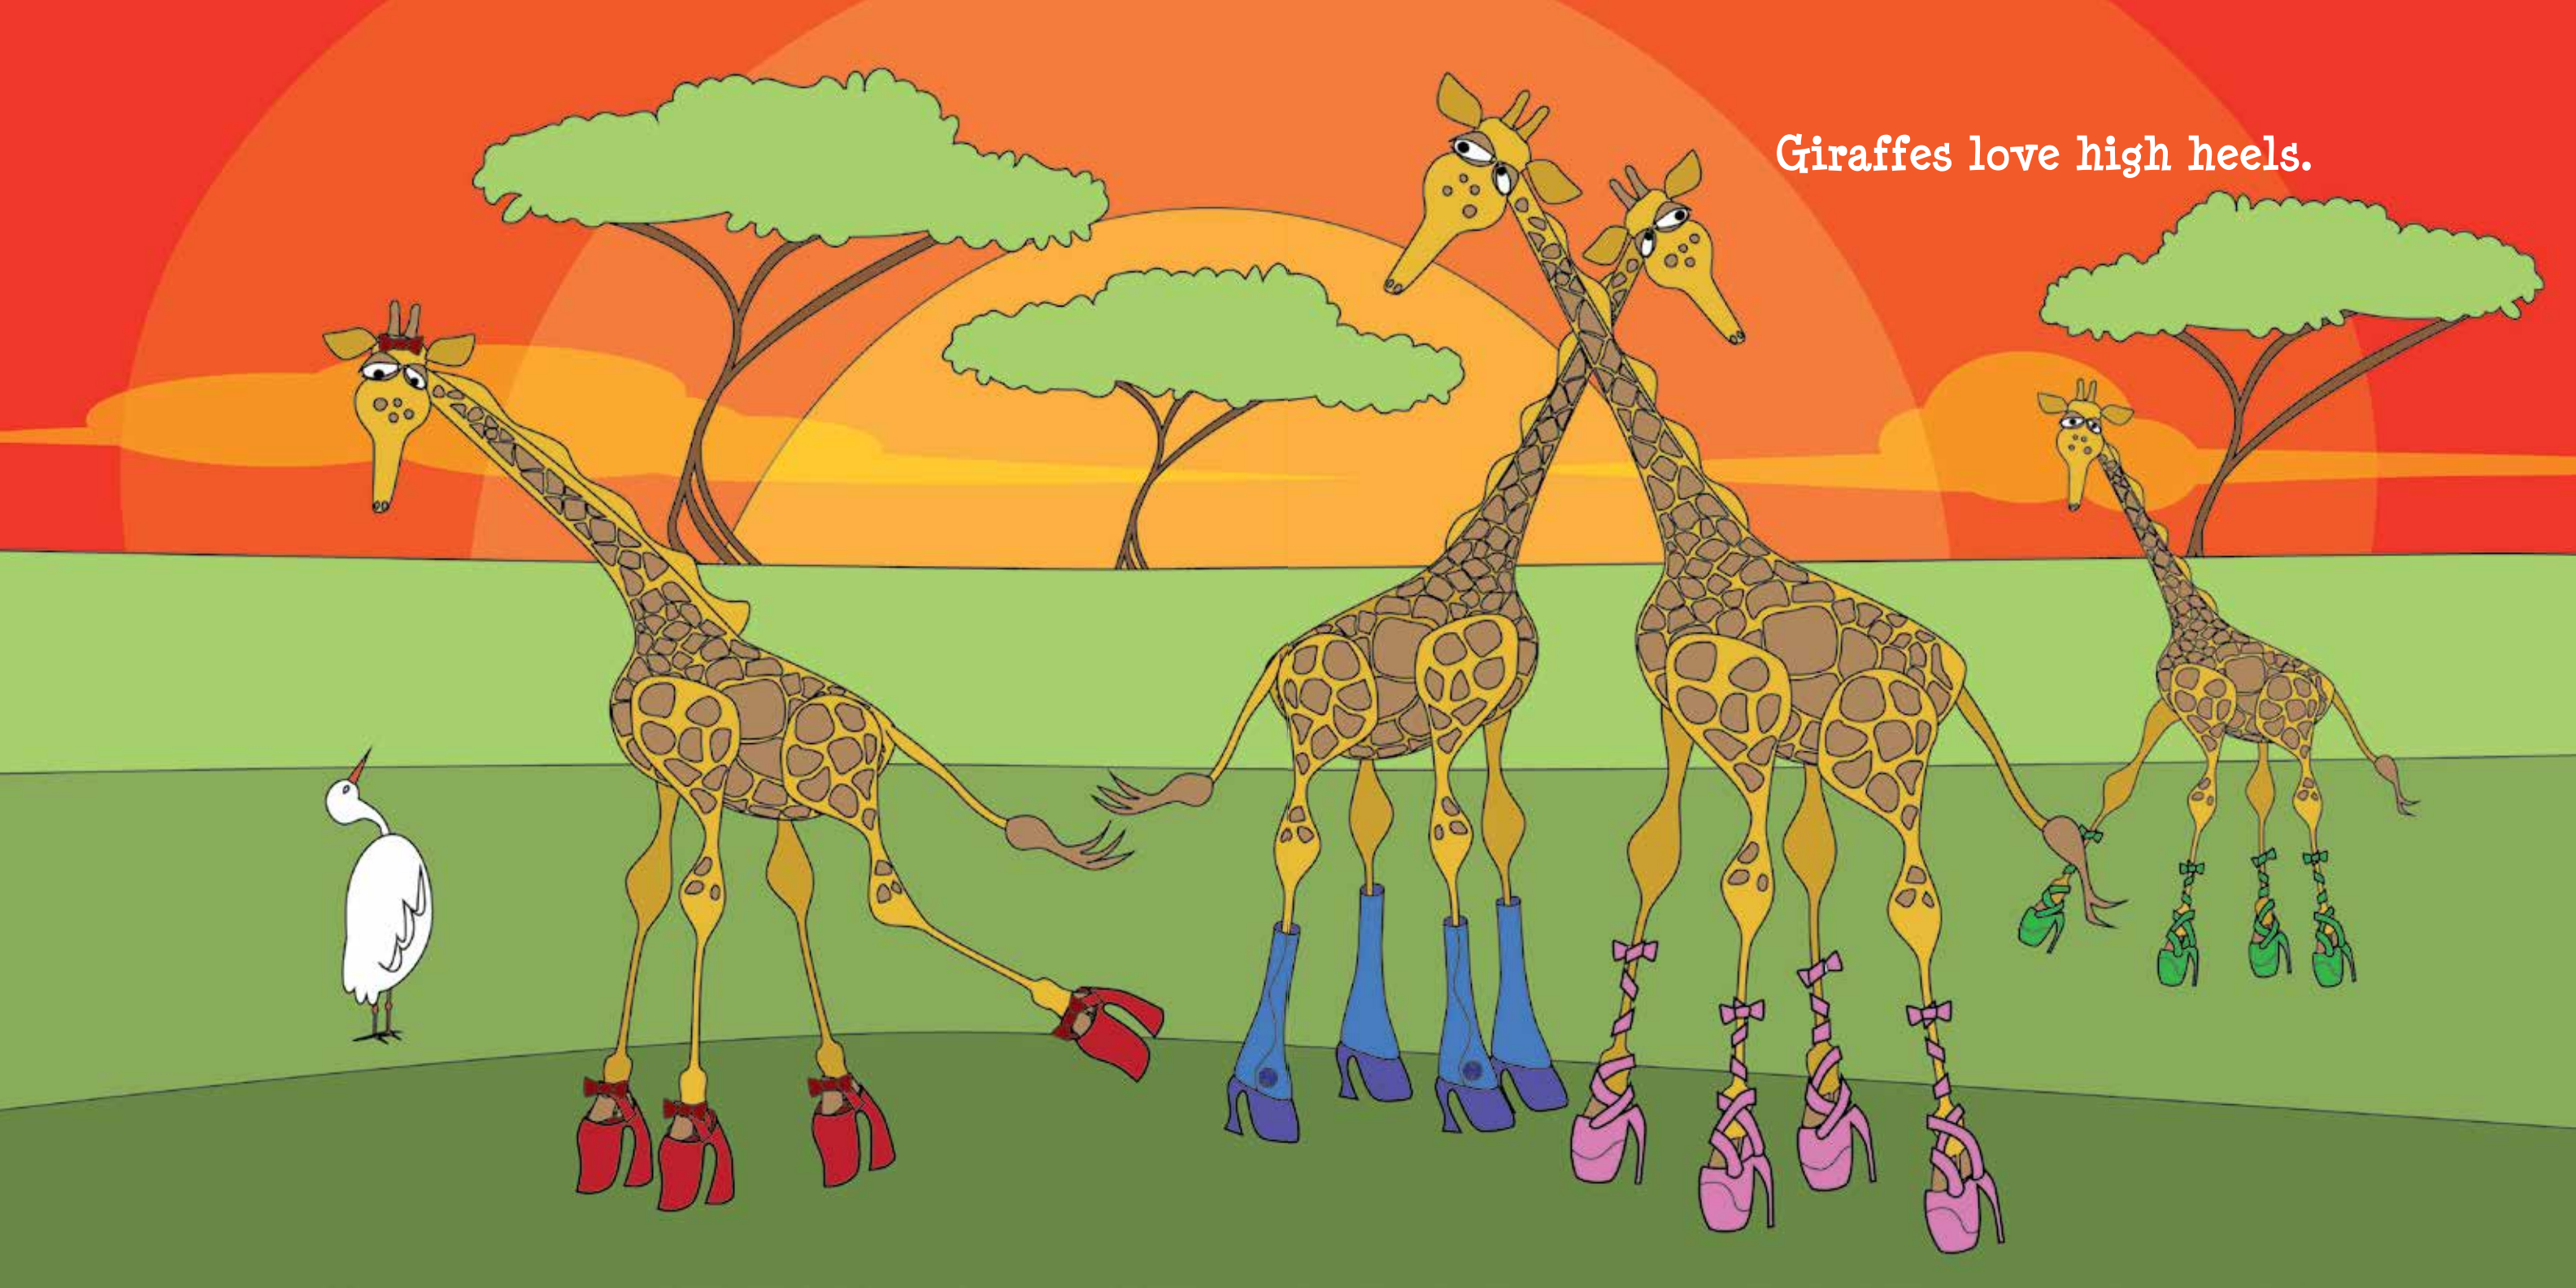

Doc MacDoodle's Color Therapy for Grown-Ups:
33 Amazing Women

For Ted and Liz

I am Doc MacDoodle, highly respected smart guy and expert on all things. Here are some animal facts that you may not know.

Giraffes love high heels.

Rhinos don't like to get their feet wet.

Rams like to play dress up.

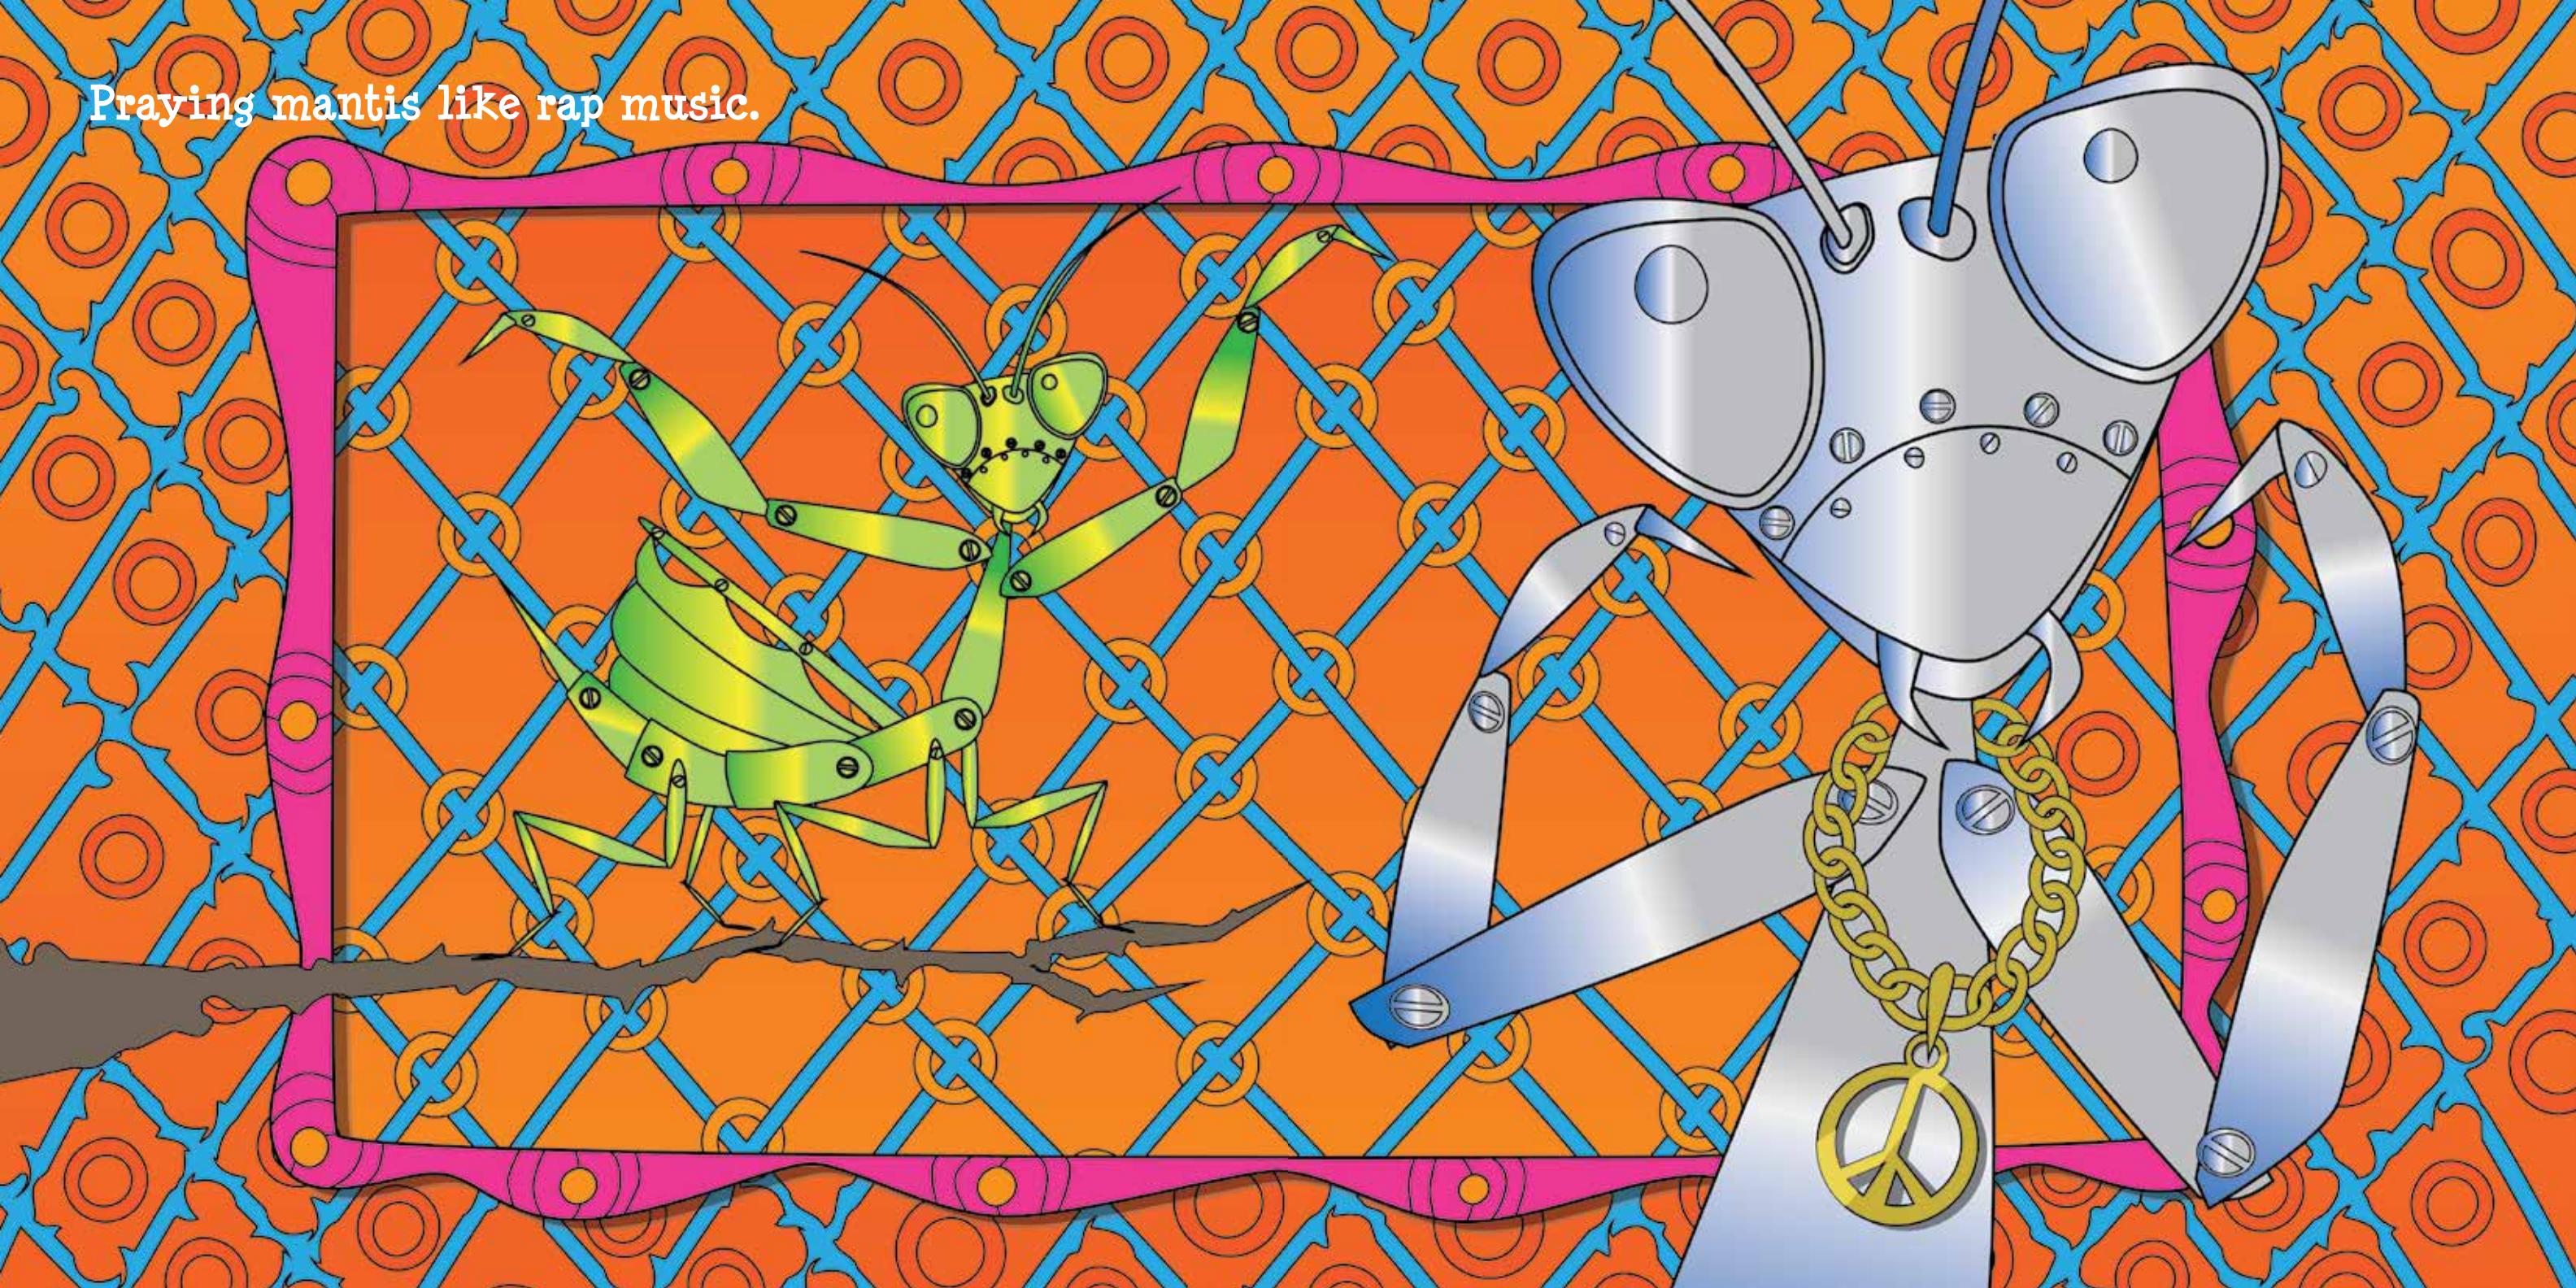

Owls and turtles can be friends.

Dogs and monkeys fly spaceships.

Praying mantis like rap music.

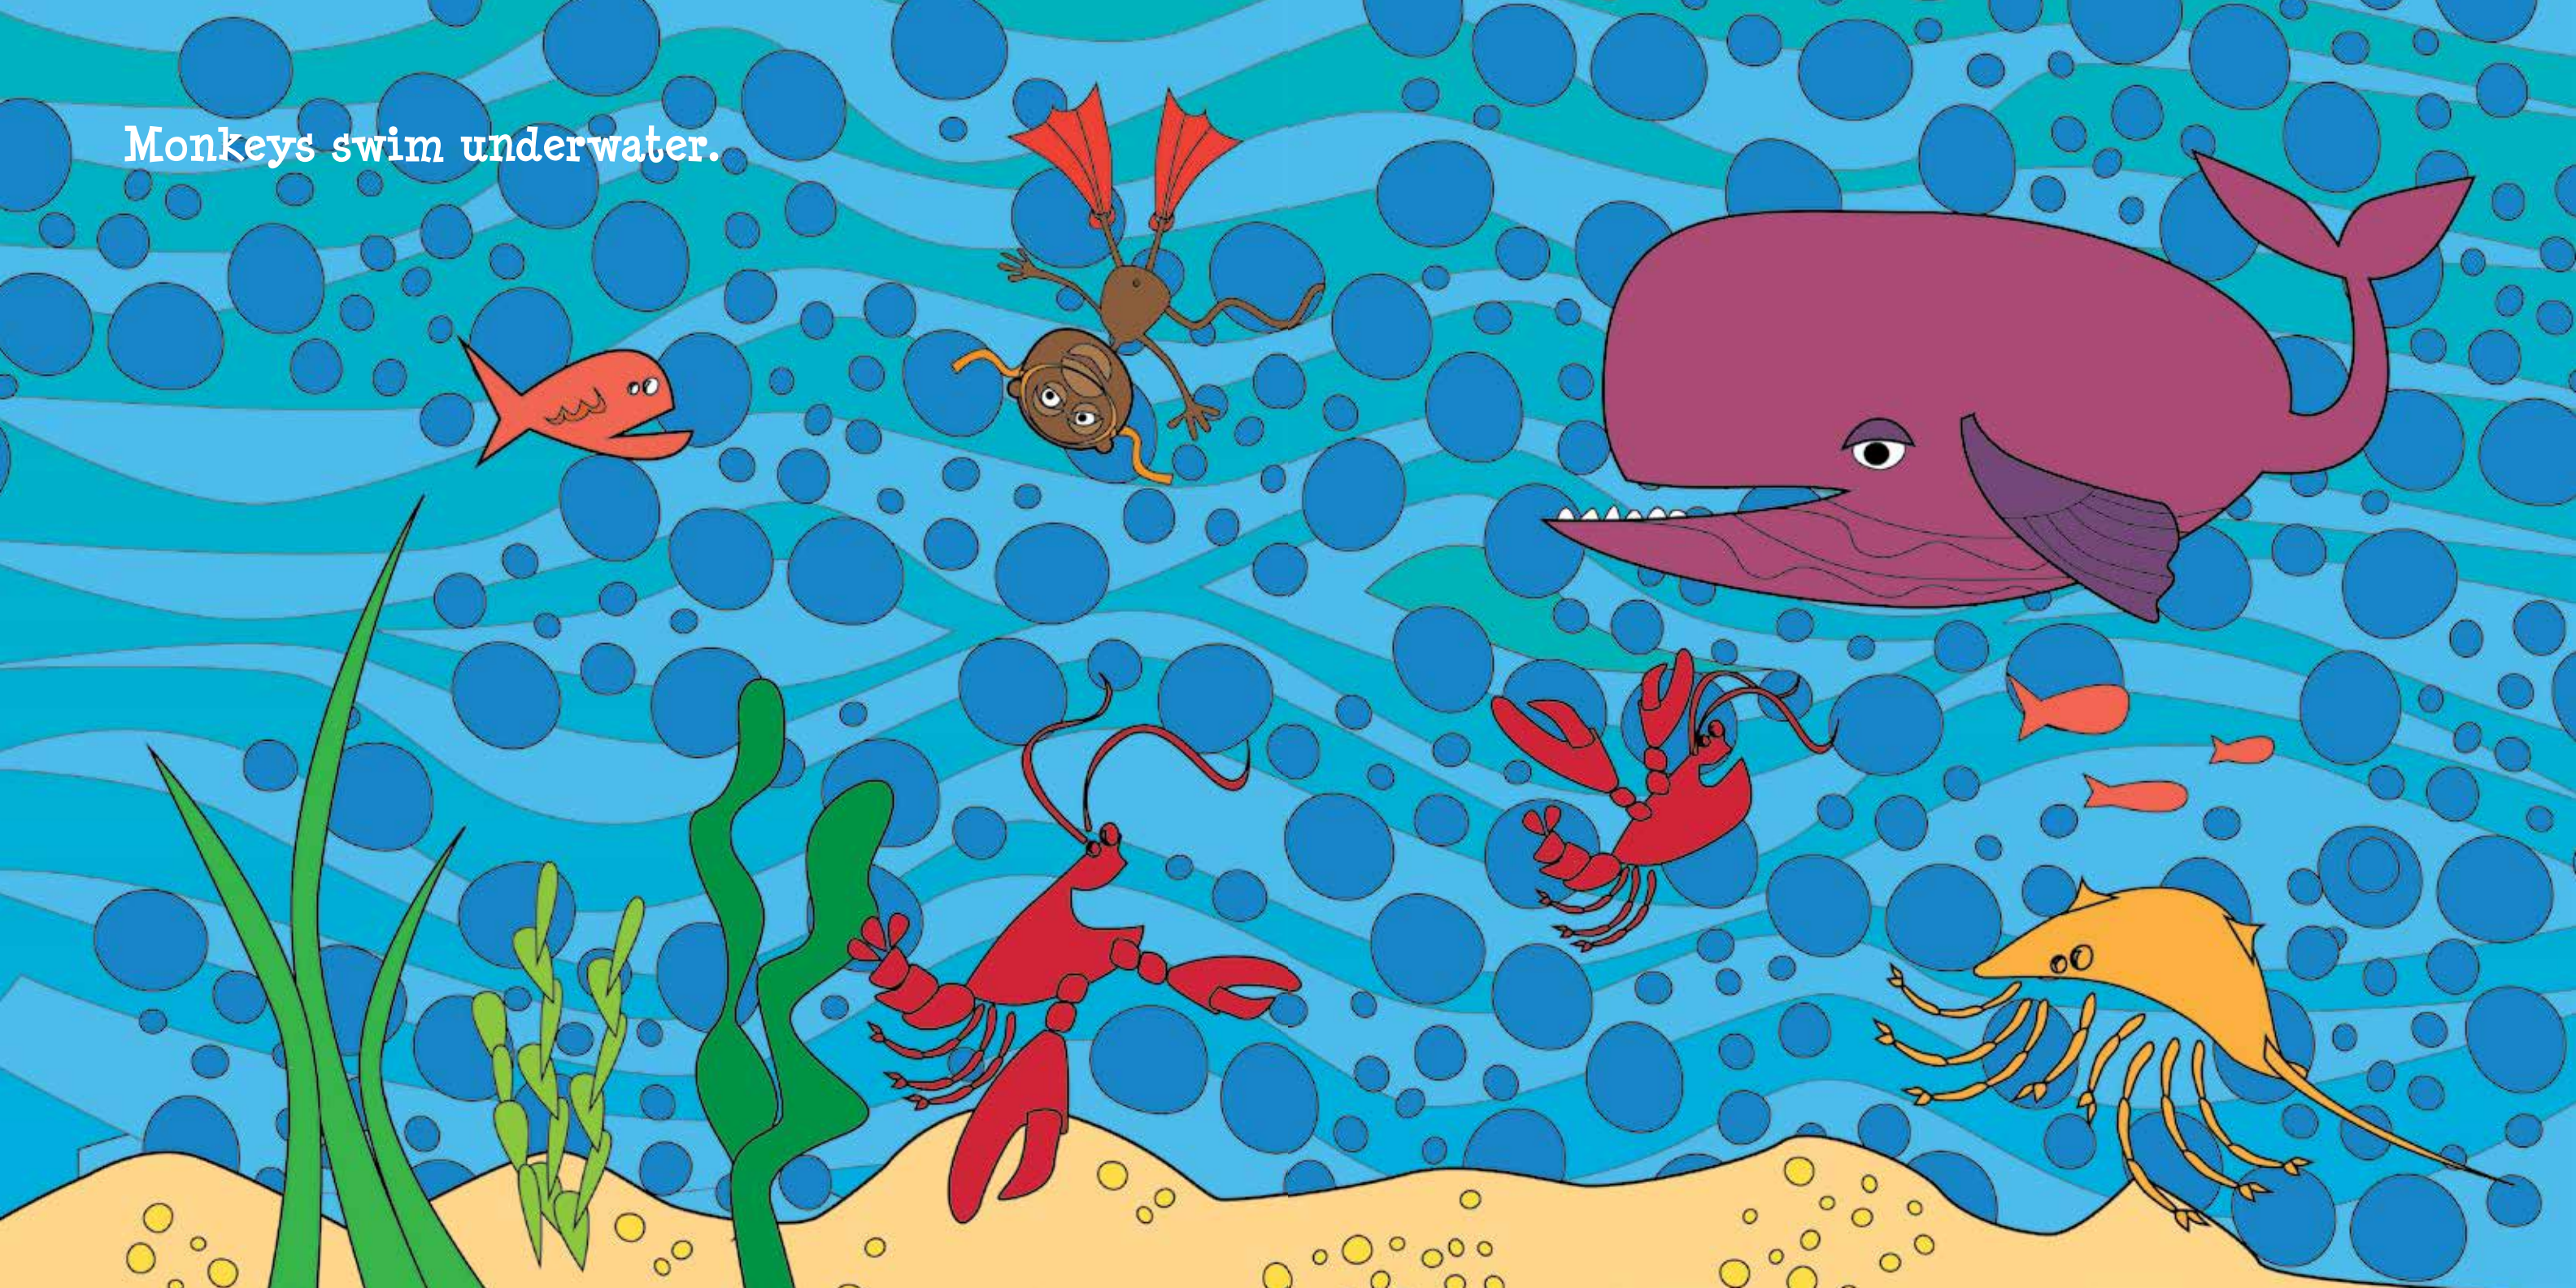

Walrus love sharing a warm quilt.

Rams like quilts too!

Monkeys swim underwater.

Lions love mittens,
hats and scarves.

Peacocks have fancy feathers.

Gazelles float on oyster shells.

Butterflies are born in cocoons.

THE END

It's hard to cuddle
with an octopus.
