

**Excerpt from The TRAP © (The Truth Revealed) Ingredient/Chapter 1: REJECTION**

*After becoming pre-teens, they've been **conditioned** & predisposed to keeping their thoughts **to themselves** & it will be *somewhat* difficult to 'pry' the answers from them to the questions that you *now* possess. The 'one word' answers (from them) ensue. The gap (emotionally) between you & them broadens & ultimately you are strangers living under the same roof.*

**ALL OF WHICH**, is what the devil wants ANYWAY!!!! he (lower-cased intentionally) **wants you to be too busy to pay attention to your child** or to spend quality time talking, laughing with & Loving them. The devil wants the TV, the Internet, video games, FaceBook, Twitter, Snapchat, chat rooms, Instagram, friends & magazines to substitute **your** influence in the Life of *your* child **or...to BECOME your OWN, personal distraction** concerning...your child(ren)! These arenas are all avenues that the devil spews his godless-venom through, in attempts to infect their (your) spirit and rationale.

If the devil can't kill them, which he will **undoubtedly** *try* to do, he wants them to end up like I recently was: a full-grown adult, *feeling pressured to the max*, living a life **COMPLETELY** unsatisfied, living & doing things **only** trying to please people at *church & work*, wondering how long the wait for soul-fulfillment will be. –Knowing that the enemy has his **TRAPs** WD-40'd up, waiting on me to fall prey to depression, disappointment & discouragement, *once* again.

If the devil cannot kill you or your seed, he is **equally** happy with making sure that you do not operate in God's Power that Jesus died & was Resurrected for you (us) to have access to. The enemy is fine with you staying in a pitiful, dark pit, secret or not. As long as you aren't producing Glory for Yahweh, the Great I AM...the devil couldn't give two hoots.

The evil one doesn't want you to be like the **NEW** me that is **AWAKENING** to righteousness, -realizing that I do not...have to be an **ejaculation-bag** for the devil's skilled males; spiritually-trained men who **AIM** to *purposely* **deceive** me (and women who are secretly like me) with the '*prospect* ...of '*possible*' 'love'. These demonically-used-prophetically-trained men are experts are feeding & fueling false dreams.

–The devil doesn't want us to realize these same type of men/& **women** (they have different faces, but the same, secretive-evil nature) are scandalous-spiritual liars that want us fascinated & deluded with mental-implantations of suggestive-malarkey that will **never** be.
