Stinky-Dog...where are you?

---

Louie took Stinky-Dog to the amusement park,

Stinky-Dog had never been out in the dark.

Mummy said, "Please leave Stinky-Dog in bed."

"You will be sad if you lose him," Daddy said.

But Louie could not leave Stinky-Dog behind,

He told Daddy that would not be very kind.

Louie and Stinky-Dog stuck together like glue,

I'd want to take Stinky-Dog too, wouldn't you?

They rode the roller coaster up and down,

And spun on the carousel round and round.

Louie wanted to go on every ride,

Stinky-Dog tried hard to sit by his side.

Then Mummy took them for a special treat,

Something quite squidgy and sticky and sweet.

Louie chose the biggest ice-cream he could see,

Whilst Mummy and Daddy had a cup of tea.

Finally it was time to go home to bed.

“But there is just one last stop,” Mummy said.

Last stop was the toyshop and what a surprise,

Soft cuddly creatures in every colour and size!
