I do not claim to know everything about the Revelation of Jesus Christ. After a more than five year study, I think I know less now than when I began.

The Word of God is Truth and His Word is eternal, I will never learn all there is to know either now or in the next life. I have listened and watched countless hours of teaching from both Protestants and Catholics. I used numerous Bible versions, exhaustive commentaries, study guides, many hours and days of internet research, what was believed and taught by the early Church fathers, and most important of all prayed and meditated over all the verses.

In this book I will not tell you the name of the anti-Christ for there are numerous theories. However,

I will tell you what Truth's I have found and what false teaching I have discovered.

I have some important reasons for writing the Book of the Revelation of Jesus Christ. First to let everyone know you do not have to be afraid to read and study the book because, on the contrary, you will receive many blessings. There are Seven blessings listed in the book and one is a general blessing that

**pertains only to you. I advise when you begin with
the book to also begin to count your blessings.**

**The second important reason I have for writing the
book is to let you know that it is a book of prophecy,
see 1:3, 22:7 and 22:9. And for you to always have a
verse from chapter one that you can always go to
when you hear a teaching or when you may be stuck
or confused. Verse nineteen, “Write down, therefore,
what you have seen, and what is happening, and
what will happen afterwards”. The Apostle John was
very familiar with the prayer “Glory be...”, ‘As it was
in the beginning, now, and ever shall be...’**

**I believe it is imperative that the regular lay person or
a lay minister know something about the Book of the
Revelation of Jesus Christ and especially to know
without the drama and sensationalism that usually
accompany various teachings.**

**I also hope I show the love of God in how He
comes back to save us and give us a new heaven
and a new earth where we will reign with Him forever.**
