

“ Casey the Container,
welcome to your first big day at sea.
We’re excited you’re aboard this ship;
cargo is our specialty.”

“I’m Frank. I’m full of fireworks,
quite explosive they all say.
I take my time, don’t
move too quick, and keep
safe along the way.”

“I’m Molly, and I’m full of melons
for everyone to eat.
It’s my job to deliver them, ripe,
and fresh and sweet.”
