## *Justify* 🌹👑

Unraced at two, before the Derby he had little time to rehearse.  
Nonetheless he won the race and broke Apollo's Curse.  
His victorious emergence from the Preakness fog was quite serene.  
Next he won the Belmont and Triple Crown thirteen.  
He had exploded onto the scene and defied expectation.  
He proved that you should dare to dream and captured our imagination.
