

Bio-Author:

I am a Software Engineer in New Jersey, USA.

I was done Fashion Design at the Palan school of Arts & Design in Singapore and the New York school of Design, New York City. One day I felt compelled to write this book and finished it in 6 months from the day I began. I have stated original quotes that will provide a key to look within yourself to resolve issues in which we may face day to day! These quotes are written in original, with a thoughtful, practical and positive approaches of these quotes can be related to our daily life and by applying these can bring feeling of euphoria and peace.
