

This I Know

SEEING GOD IN THE WORLD HE MADE

NATALIE MERHEB

IT'S TIME TO GET UP! Oh, the big day is here!

Are we ready to go? I've been waiting all year!

It's our day of adventure, our day of exploring,

Of running and hiking and swimming and soaring!

When I went to sleep, it was rainy and cold.
But the sun has come out, and the sky is like gold!

I jump out of bed, there is so much to do.
With every new day, God makes everything **NEW**.

Jesus loves me, this I know,
For the sunrise tells me so.

WAKE UP, LITTLE GIRL! You're so precious to me.
My sweet baby sister, how cute could you be?
I'd prayed and I'd asked God to give me a sister,
And you're so much more than I ever could wish for!

God loves His children, each daughter and son.
And He gives us new life, just like you, little one!
Today, I will show you the wonders outside,
How all of God's marvelous world is **ALIVE!**

Jesus loves me, this I know,
For our baby tells me so.

Mom is packing the van like a cozy cocoon!

And you know what that means? **WE ARE LEAVING, AND SOON!**

Like butterflies bursting to try out their wings,

We're ready to go and do all kinds of things!

It's such a big world full of so much to see,
I wish we could fly like the birds in the trees!

So what do you think we'll discover? Oh boy!
I love days like these that are full of God's **JOY.**

Jesus loves me, this I know,
For the butterflies tell me so.

WE'RE HERE AT THE BEACH! And my toes love the sand!

We splash in the waves as they crash onto land.

The seagulls are squawking, the air's full of smells,

I'm spying for dolphins and hunting for shells.

Just look at that water! So deep and so wide,
And brimming with life that is swimming inside!

My Dad says it makes him feel small like a child.
God's world is so big and so wondrous and WILD.

Jesus loves me, this I know,
For the ocean tells me so.

WE'RE BACK ON THE ROAD, over slow rolling hills,
But our sweet little dog doesn't want to sit still!
With a wag of her tail, she is ready to run
In a wide open field, in the warmth of the sun.

Wherever I go, she is right by my side,
On bright happy mornings, or nights when I've cried.
She makes us all laugh, she is always so playful,
But what I love most is how God made her **FAITHFUL**.

Jesus loves me, this I know,
For our puppy tells me so.

A flash in the sky? Oh, please say it's not true.
It can't rain today. The sky has to stay blue!
But thunder rolls in with a rumble and **BOOM!**
If it doesn't stop raining, our day will be doomed!

But that's when Mom smiles, and reminds us to say,
"It's all in God's hands, so we wait and we pray."
A lightning bolt **CRACKS!** and my poor brothers cower.
Though storms can be scary, we trust in God's **POWER.**

Jesus loves me, this I know,
Even thunder tells me so.
