

IT'S NEVER TOO EARLY OR LATE TO FULFILL YOUR DESTINY. My writing handbook, for Engineering, Technical, and English as Second Language professionals, will enhance your written and verbal communications skill set. After reading this book and using the examples, you will be able to attract and retain clients. The concise but effective guidelines in the handbook will ensure your business grows to its full potential. However, you will have to work hard to achieve your goals. Success, unlike oatmeal, isn't instant!
