

We blame ourselves for
Things we can't change,
Or justify the guilt,
To make sense of the pain.

Dig deep down inside and find that key,
It's time to set all your colors free!

Color is a choice you
Make every day,
Whether you see its Beauty,
Or push it away.

No debts of the heart
Will pull it apart,
It's time that you make a
Fresh new start!
