

*

SCATIUS COMMODIUS LAVATORIUS WAS THE MOST GIFTED, MOST PROLIFIC AND THE MOST FRUSTRATED SCIENTIST OF THE MODERN AGE.

IT WAS PAX ROMANA. A GOLDEN AGE INSPIRED BY THE ENLIGHTENED REIGN OF CAESAR AUGUSTUS.

PAX ROMANA MEANT MORE THAN JUST ROMAN PEACE.

PAX ROMANA MEANT EVEN MORE THAN ROMAN PROSPERITY.

IT MEANT ROMAN INGENUITY.

IT MEANT ROMAN ENTERPRISE.

IT MEANT ROMAN EMPIRE.

MORE INVENTIONS IMPROVING THE LIVES OF ALL CITIZENS WERE CREATED IN THE TIME OF AUGUSTUS THAN IN ANY OTHER AGE OF ROME.

AND NO ONE WORKED LONGER NOR SMARTER TO CONTRIBUTE TO THOSE ADVANCES AND ENLIGHTENMENT THAN SCATIUS.

AND NO ONE WAS MORE OBSESSED WITH OR POSSESSED BY GOLD, THAN SCATIUS.
