

C IS FOR CRACKERJACK

Ladies and gentleman, children of all ages!
The capybara circus is one for the pages!
Amazing stunts! Shocks galore!
As the crackerjack capybara circle the floor!

They move!
They skedaddle!
They ride!
They paddle!

And if it isn't enough of a treat
To see the capybaras' crackerjack feats,
You are welcome to take before you go
A free boiled egg after the show.
