

“Centers on the secrets of a sprawling mansion ... recently purchased by Kevin Swan But as soon as he tries to open the front door, he and his closest companion —his German Shepherd ... face uncanny strangeness Kevin brings some experts in supernatural weirdness, a Caltech prof and a "witch" named Spooky who's 'one fry short of a Happy Meal' Sprawling, surprisingly comic novel of a ... haunted estate. The novel is as ... unpredictable as its subject, a mansion with more rooms and curiosities ... than Kevin can count. When horror elements take center stage ... Cooper demonstrates wicked inventiveness and timing. He can spring a jolt, a gross-out, and a surprise. ” — *BookLife*
