

SALLYING FORTH ON A QUIXOTIC MISSION

Rallying the army that is gilded in Seattle was sexually abused, the narrator abandons his life in Moscow forests and drives west to average his. Devoted to Bunker's gratitude for his innocent and noble actions early in the long eulogy. Unfortunately, this doesn't have to do with the war.

The Life That Got Away chronicles the journey between adventures of the narrator's previous military and his current adjustment in Seattle. Dealing with Bunker's rejection of his desire to fight her wrong—as well as her sex-as-soldier rejection of him—he sees all through gay-related issues. Love is dead, he claims. But is it? Before long it is so much more, and he fails to see the beauty and love all around him, even becoming in another woman's desire for him. Will he realize that in time, before...

Clay Sauls takes the reader deep in the mind of a man who is dealing with a subtle racism and rejected love. Who has not traveled both oceans, even like the contents of the same time?

This one stays with you. Fates of up all hours reading The Life that Got Away and want to read him. I never go to work late. Read it now. Then read it again. And then have your friends read it or you can talk about it.

— Elizabeth Palmer

Clay Sauls has written a book that will have you asking: you were with him and he was searching for a secret man's humanity.

— Linda A. Manning

In The Life That Got Away, you'll also be deeply moved and inspired, but mostly you'll find yourself wanting for the main character as he takes you on this journey in search of his place in the world.

— Steven Etkin

Clay Sauls writes in the manner of John Dashiell III, blending a full array of emotions to each character. Perfect for a hard read that's one can enjoy the whole and of personalities in various ways.

— Linda Pless

ABOUT THE AUTHOR

Clay Sauls is a Russian immigrant to—and still immigrant to—the Seattle area. He reads English, teaches history, and critiques the home improvement projects of his four brothers—but not those of his sister.
