

TV's Last Summer in Cape Cod

Don't Cry for me Cape Cod

"In much the manner of Evan Hansen's classic *Last Summer*, *TV's Last Summer in Cape Cod* is a coming-of-age story about adolescent sexuality, but *Whyte* is braver... In much more emotionally charged and detailed."

Shane Dinsworth, Gender Revolution, Midwest Book Review

"In every summer saga of growing-up and falling in love... The subtle nature of youth and love are an impressive display in *Whyte's* latest novel, and this new group on the intricacies of human relationships is undeniable."

Self-Publishing Review

"Any reader looking for a book that might be able to return them to their youth, even for a little while, should definitely read this."

Chris Fletcher for Readers' Favorite

"Adult readers interested in revisiting their teenage years will make an appropriate audience."

Arkana Reviews

★★★★

Garfield Whyte is a novelist and the author of *Findings*, an environmental photography and poetry book as well as *Five Steps Into A City Set Upon a Hill*, his memoir about life at his all-time boarding high school, Mount Valley.

"Life is either a daring adventure or nothing at all."

—Helen Keller

TV's Last Summer in Cape Cod

Don't Cry for me Cape Cod

"We recognize where the nation buys its youth... Reminders of those feeling and unexplored emotions that so often must be discarded for teenage years is solidified."

Book First Book Review

"I must offer that we see a book so poetically and judiciously describe its time for between youthful emotions and adult reality."
