

Sincerely, *Life*

What if Life were
only a moment?

It is inevitable that, sooner or later, we will be asked to leave this world. But how if that is your last day, the day you are asked to leave this world? What if you are asked to leave this world in a moment? What if you are asked to leave this world in a moment? What if you are asked to leave this world in a moment?

Poornima Desai is a writer and a poet. She has written several books and has been featured in various magazines and newspapers. She is currently working on her next book, which is expected to be published in the near future.
